**Parish Office - 32nd Sunday in Ordinary Time. November 12th, 2017.**

### **Parish News / Parish News / Parish News.**

**For the past many years, our Parish has especially remembered those whose funeral Masses and burials have taken place since November 1st. of the previous year. We usually name the deceased, light a special candle in their memory and present the candle to their families at the end of Mass so that families can pray for them at home.**

**This we will do at the 10am Mass in St. Joseph's next Sunday November 19th. We invite the families of those who have gone to their heavenly reward, to join us for Mass. A similar Mass of Remembrance will take place in Bundoran on the following Sunday, November 26th. at the 11am Mass, when we will remember all who have died since November last year, when we will also light a candle in their memory and present the candle, after Mass, to the families.**

**At both Masses, one special candle will be lit to remember relatives and friends of the Parish who have died elsewhere.**

**Wednesday morning Masses (unless on the day of a funeral) will take place in St. Joseph's Church, The Rock, Ballyshannon. Prayer services will be held in Bundoran on Wednesday mornings.**

### **Church Envelopes / Donations.**

**From January 2018, ALL contributions to collections will be presumed to facilitate Church needs and the lessening of the Parish Debt.**

### **Diocese of Clogher 2015 Financial Report.**

**This weekend the Diocese of Clogher is publishing it's financial report for the year 2015. For the first time, information on the overall financial activity of our Parishes and Diocese will be publicly available. In doing so, the Diocese is demonstrating it's commitment to transparency and accountability and it's compliance with recently enacted charities legislation, both north and south.**

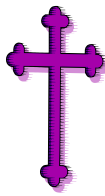

**The Financial Report for 2015 gives an overall view of the funds held by all the Parishes and the Diocesan administration, including it's agencies and diocesan organisations. The total income of the Diocese and it's parishes for the year 2015 was €14.3m. A total of €11.7m was spent on the charitable objectives and activities of the Parishes, Diocesan agencies and organisations. Taking into account a gain of €0.6m in investments, this left an excess of income over expenditure across the Diocese of €3.2m, which is held by the 37 Parishes and the Diocesan Curia. In some Parishes, these funds are conserved to meet future needs, while in others they are going towards the cost of current or recently completed projects, which may also be supported by fundraising activities.**

- 1. Many thanks to all who contribute so generously and regularly to our Parishes.**
- 2. One of the main items of expenditure in our Parishes is the maintenance of Parish buildings etc.**
- 3. All Diocesan and Parish monies are only used for defined charitable objectives of the Diocese.**
- 4. The Financial Report shows that the Diocese is complying with Charities Legislation and that the Diocese and Parishes are maintaining proper financial records and procedures.**
- 5. All further information on the Clogher Diocesan Website.**
