### Ordination of a new Priest for the Diocese of Clogher

On Sunday 30 June next, Deacon Kevin Connolly from the parish of Donagh, Co Monaghan, will be ordained to the priesthood by Bishop Larry Duffy in St Macartan's Cathedral, Monaghan, beginning at 3pm. Deacon Kevin is extending an open invitation to all to attend and participate in the ordination liturgy in the Cathedral on that day. On the following day, Monday 1 July, he will celebrate his first Mass in St Mary's Church, Glennan, Glaslough, Co Monaghan at 7pm. Once again, everyone will be welcome. The ordination of a priest is a great event in the life of the diocese and for the parish community. As a diocese, we give thanks to God for the gift of priesthood itself and, especially, that Deacon Kevin has answered "Yes" to God's call to serve the people of God in our diocese. We pray that others will do likewise, so that, through priesthood, the diaconate, religious life and other ministries, they may build up the community of faith that is the Church and be witnesses to Christ in the world. This ordination liturgy will also be historic in that Deacon Kevin will be the first priest to be ordained by Bishop Larry Duffy.

### Preparation of Parish Cemeteries for Cemetery Blessing.

Many thanks to all our families who presented their family graves in such a wonderful manner for the blessings last Sunday. Many thanks to the members of Tus and others who prepared the cemetery grounds and continue to maintain them at all times. Many thanks to those who provided the speaker system and those who arranged the cemetery collection (€870).

Cemetery Sunday is a special occasion when we especially remember those who have gone to their eternal reward, those who created the foundations we have used in our own lives and who have passed on our Christian faith to us in many different ways. May they all rest in peace.

The blessing of a cemetery is a **symbolic occasion** when we share our prayers for those who have died and when the Priest or Parish Representative walks through the cemetery grounds, blessing in a general manner. It is not possible to have holy water sprinkled on every grave in a cemetery but families can share the general blessing by bringing holy water to their family graves in a personal manner. In some parishes and cemeteries this is already the system being used. The important aspects of the occasion are the preparation of the cemetery, the gathering of people, the sharing of prayer and the general blessing. Once again, many thanks to everyone.

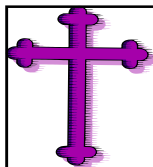

### Parish Web Site.

We are presently renewing the Parish Website and we thank those helping us to do so. The new presentation allows us to immediately add necessary information and to provide an individual page for each of our Parish Churches. As time passes by, experimentation will allow us to develop such space in a useful and suitable manner. The Parish Website concentrates on Church events within our Parish and our Diocese, helping to keep us up to date with all such activities. We hope that the new presentation will make the website easier for all to use and that it's development will continue to generate interest in our Christian word and action.
