Financial Administration in Parish Life:

Auditors associated with the Diocese of Clogher request that all public collections be administered by at least two volunteers who will **"bag and tag" the income**. This presumes that the collections will be publicly placed in a special bag, a numbered tag inserted therein and the names of the supervisors' names written into an accompanying book. This is then **verified** by those who count the collection and prepare the amount for banking. We therefore request the help of two volunteers who attend different Masses, to spend the five necessary minutes "bagging and tagging" the collections.

Please contact the Parish Office to offer your help.

The reason behind such activity is to verify the honesty of all such financial events, so that Parishioners may understand the methods used to collect, count and bank all income. In general, our collecting and counting teams are permanent and very good. We need to improve the presence of those offering themselves for the "bagging and tagging" so that the overall teamwork is complete. **The second reason behind this verification of all income** is to allow Parishes and Diocese to apply each year for Revenue Rebates. Magh Ene Parish has been doing this successfully for many years but must add the already mentioned "verification" activity to its present methods, to ensure future rebates will be available. If you can give **FIVE MINUTES** after any Bundoran Mass to this activity, **please contact the Parish Office.**

World Mission Sunday:

Today we celebrate World Mission Sunday, with its theme **Together We Are Mission**. Today our parish and every church community round the world shares what we can so that the vital work of our missionaries can continue. Together we are mission means that we all play a crucial part in mission work and this is one of those ways of showing solidarity.

Alternatively, you can donate online at www.wmi.ie/donate

Respect for Church Grounds / Dog Owners please take notice.

We are very indebted to the members of Tus who care for the Church grounds and Cemetery area. They use many different kinds of grass-cutting machinery to assist in their work. During the past weeks, their foot-ware and lawn mowers etc. have been greatly affected by the vast amount of dog droppings in the grass and on the tarmac in the lower car-park and occasionally in the cemetery. As a result of such activity, the machinery has been in need of much more frequent cleaning than in past years. **We ask dog-owners who travel through the Church property to respect the area, keep their pets on leads and clean up after them, when necessary.** The exterior cameras cover that car-park area and show where the problems lie. **Please notice the related signage.**

The Parish has been given a selection of air-fresheners, which have a religious symbol, for house and car, with any profits going to a 2020 Rosary Chapel Project. Various examples are visible on a display board in the Church and may be obtained from the Office or Sacristy when either is open. **€1.50 each or four for €5.**

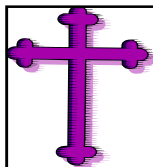

Please support the venture. Available in both Churches.

Members of the North West Hospice support group would like to thank everyone who hosted a coffee morning, helped out and made a contribution. A total of €3,317.81c was raised on the day and has been sent to the Hospice.

All Bundoran Church envelopes/donations are presumed to be for the up-keep of Church due to its ongoing debt.

Confirmation by Bishop L. Duffy in Magh Ene
Parish will take place on
Sunday May 10th, 2020 @2pm
