Churches Opening Again.

From Monday June 29th Churches opened for morning Masses. Recent Government direction allows Churches to have numbers of fifty attending. Every second seat will not be used and individuals, couples and families will be asked to seat themselves carefully, ensuring social distancing. Please wear a face mask and follow the directions given by the Priest in relation to reception of Holy Communion. **Adoration of the Blessed Sacrament in Bundoran** will continue each Monday to Friday until 12noon – those who wish to attend are welcome.

First Holy Communion and Confirmation etc.

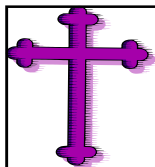

In relation to all church ceremonies, Baptisms, Weddings, Funerals, First Communions, Confirmations, please stay in contact with the Parish Newsletter, Parish Facebook page, Parish Website to keep everyone up to date with Government Regulations in relation to Public Activities. Families involved with First Communion and Confirmation will continue to receive information from Schools and Parish Office. There are many problems associated with these events due to the recent lockdown involving schools and churches. However, we hope to do our best to arrange both as well as late baptisms, memorial Masses and many other events which had been cancelled. It is important to appreciate that not all these events can take place when expected by laity as only one Priest may only do as much as his energy and time allows. We must firstly appreciate Government rulings which indicate allowable numbers. At this point in time, **only three from each family, including the child, would be possible** for First Holy Communion and Confirmation.

Memorial Masses would be restricted to 50 while two baptisms would have a maximum of 25 per family. It is suggested that memorial Masses, to facilitate families, should take place in September / October.

We must appreciate that these are difficult days for everyone but it is most important that we do our best to help stop the spread of Covid-19. To do so we **ALL** have to make sacrifices in relation to traditional activities. We should **NOT** presume that we are safe from infection and must do what we can to protect ourselves. Older people must try to avoid such danger and younger people must do their best to protect the elderly.

Simply make the necessary sacrifices to protect everyone.

St. Joseph's Church, Ballyshannon.

Plans are presently in place to provide a 72 inch wide television in a special cabinet behind the Baptismal Font which will connect to Bundoran Church, to allow Mass to be viewed if a Priest is unavailable at the Rock during the week. The future of such activity is based on the reducing number of clergy but also the needs and retention of a Church. We need to anticipate the needs of the future in the best way possible.

We remember all who have died recently: May they Rest in Peace.

Kieran Gallaher (Belleek & Dromore)
