#### Confirmation

Congratulations and many thanks to the boys and girls involved, their parents and teachers.

The change in presentation and the numbers involved are a very sensible approach to the dangers involved with the continuing spread of the Coronavirus infection. While some may be disappointed in relation to necessary changes, we are obliged to ensure that everyone is safe.

Sacrifices must be presumed and taken for granted. Traditional celebrations take place at home with the responsibility of parents.

We hope everyone had a blessed and enjoyable day. Many thanks again.

**Congratulations to the 49 boys and girls from Holy Family National School, The Rock and St. Macartan's National School, Bundoran on the Sacrament of Confirmation.**

#### Cemetery Planning

The number of requests for the burial of human ashes in suitably new plots will be increasing. It would therefore be wise to allocate a special area for such burials when traditional grave size is not required. Placing a small 3x3ft grave for ashes beside normal graves would undo the design of the new cemetery areas. Placing the "ashes" graves beside each other would ultimately give the cemetery a better appearance. Undertakers, grave/diggers and families involved will be consulted. Since headstones are not suitable for such small areas, a suitable 3x3ft cover with the necessary information would be sensible— a cover which has a small change in level to allow rain to fall away.

We hope to finalise the installation of the TV monitor to allow connection with Bundoran Church when necessary. We thank the Pastoral Group and all involved with the installation. This is indicative of future needs in all smaller churches.

We remember all who have died recently:  
May the souls of the faithful departed rest in peace.
