### LOURDES / CLOGHER ROSARY DURING MONTH OF OCTOBER:

At 8pm on every Friday in October, the Month of the Rosary, there will be a short video reflection on and the recitation of the Sorrowful Mysteries of the Rosary from a church in the diocese. This can be accessed via the **Diocese of Clogher Facebook Page** and on [www.lourdes2clogher.com](http://www.lourdes2clogher.com). Following the success of the #Lourdes2Clogher virtual pilgrimage earlier this year this is an opportunity to continue our prayer and devotion to Our Lady and keep the Lourdes story in our minds.

#FamilyRosaryCrusade against Covid during October – you are encouraged to pray the Rosary, or even a decade of the Rosary, each day during the month of October. Pray for your own family and loved ones and for all those whose health or livelihood is being seriously impacted by the coronavirus crisis. Don't be afraid to share your prayer on Facebook and tag your local parish, using the #FamilyRosaryCrusade or #OctoberFamilyRosary and feel free to send in a picture with this hashtag or a short sound clip of your family saying a "Hail Mary", "Our Father" or "Glory Be"!

### Diocesan Support Worker for Clergy – Job Opportunity:

The Diocese of Clogher is seeking to appoint a Diocesan Support Worker. (20 hours per week) initially for 1 year, subject to renewal. Essential criteria include a minimum of 5 years experience as a public health nurse, carer or social worker as well as competency and capability of undertaking the duties of support worker with clergy within the Diocese of Clogher, reporting to the bishop. Further information and job spec is available on [www.clogherdiocese.ie](http://www.clogherdiocese.ie). Closing date for applications is next Friday 9 October at 12 Noon.

### Cemetery Planning:

The number of requests for the burial of human ashes in suitably new plots will be increasing. It would therefore be wise to allocate a special area for such burials when traditional grave size is not required. Placing a small 3x3ft grave for ashes beside normal graves would undo the design of the new cemetery areas. Placing the "ashes" graves beside each other would ultimately give the cemetery a better appearance. Undertakers, grave/diggers and families involved will be consulted. Since headstones are not suitable for such small areas, a suitable 3x3ft flat cover with the necessary information would be sensible – a cover which has a small change in level to allow rain to fall away.

### Hymns/ Music at Mass:

The Parish has been complimented by many local and online attendees. The music and hymns we have been using, because our choirs are not available, are very much the old and traditional type of hymn. There are many modern hymns coming from different backgrounds which we might share in the days to come. We will add a second modern hymn to the traditional final hymn at Mass for those who might wish to listen to them.

We hope you enjoy the wording and the music.
