Parish Draw - Please take part.

Tickets are available from the Sacristy or Parish Office any day after Mass. They are selling very well at this time. Many have kindly taken a book of twenty tickets with the intention of family or other methods of sale. The **Parish Office** would be quite happy to provide such a booklet for anyone intending to support the Parish Draw. Arranging such sales within such time as a month normally has great success. To those who are generously and kindly selling tickets at this time, we are very grateful and we anticipate that the project will ultimately be very successful on behalf of the Parish.

Parish Meetings.

Many thanks to all who very kindly attended the meetings. As each took place, both Parishioners and Priest had the confidence to offer subjects which would certainly be of interest in these days and in the days to come.

It became very obvious that the lessening number of available Clergy would necessitate laity taking responsibility and control of various Parish activities and that "lay" contribution would enhance Parish interest. It was certainly becoming obvious that Clergy could no longer take responsibility for necessary Parish administration as well as Sacramental activity. In recent years, Secretaries had been added to Parish life to organise Office activity. Very soon, others would need to make themselves.

Others will need to be available for administrative activities, both in sacramental and non-sacramental areas. The success of future Parish life will be very dependant on such decisions.

At one of the meetings, a resident suggested the following - when anyone asks who has responsibility for any Parish function, should they ask themselves about the contribution they

make. For those who follow "Facebook" activity, recent re-organization of approximately six Dioceses has been clarified. There is no doubt that all Dioceses will ultimately have to make serious changes and that Sacramental administration and Parish Administration will have to be approached in a new manner.
