Sacramental Activity in the Church:

Parishioners presume that Readers, Eucharistic Ministers, Altar-Servers, Prayer-Service leaders, choirs, collectors and the Altar Society etc. should be available at all times. The Pandemic / Covid time and simply passing years have lessened the number of those available to the Church. In many cases, readers and Eucharistic Ministers have had to apply themselves too often as a result of the past. While Eucharistic Ministers do have a suitable background in Faith and readers have the ability to speak publically, the simple act of collecting should not be a problem, nor should the background activity of the Altar-Society. Those who can sing in groups will also help to provide a good liturgy. In days to come, when Clergy may not be as available as expected, liturgies which will not include Mass will become very common. Our

present Prayer Service groups are considered experienced and kind – they will need to be of greater numbers very soon. Would you consider your abilities and kindness to help where possible? Contact the Parish office.

A Reading from a Letter of St. Peter:

I have something to tell you elders - I am an elder myself and a witness to the sufferings of Christ and with you I have a share in the glory that is to be revealed. Be the shepherds of the flock of God that is entrusted to you. **Watch over it, not simply as a duty but gladly, because God wants it—** not for sordid money but because you are eager to do it. Never be a dictator over any group that is put in your charge but be an example that the whole flock can follow. When the chief Shepherd appears, you will be given the crown of unfading glory.
